STATE NEWS.

Androscozia.

Nothing in the line of twisted up sheep or deformed cattle touches a pair of rams just brought to town by Chas. Weymouth of the State Fair. Their heads are actually put on the wrong side up. Their eyes look between their forcegs. Nature was in a playful mood and committed a monstrosity. The sheep might as well have been born without any heads, says the Lewiston Journal.

The Catholic church of Presque Isle was Itave put in one of the best improved machines, Bright and the state of the bright and of Houlton, Rev. C. O. Gingras and Rev. Rathers Artand and Bernard, of Van Bu-ren, says the Aroostook Herale.

The student will prove a serious matter.

An accident occurred in the Waterville car repair shop, Wednesday, which came near being fatal, says the Mail. A staging had been made on horses in the usual way to enable workmen to get at the upper portions of a car, and Mr. Addison Dolley was at work under this stage, and moved one of the horses supporting it, when a heavy chisel, which had been haid above by one of the workmen, fell, and striking Mr. Dolley on the upper lip, near the nostril, out down the chin and into the needs to be an extremely ecceptive man, bent on severing blood vessels, and laying bare the jugular vien. A doctor was summoned and dressed the wound, which was five of six, inches long, necessitating thirteen stitches. Mr. Dolley will probably recover.

THE STRAIGHT REPUBLI-CAN TICKET.

We desire to again impress upon the minds of our readers the importance of closely examining their ballots to-day be large Republican majo ity in the Legislafore depositing them. The Democrats will resort to all sorts of tricks to deceive the people. What purports to be the straight Republican ticket has been is sued from Democratic presses with the the Legislature inserted in the place of the Republicans. A desperate effort will also be nade to swell the vote of Fourth Congressional District occupying names of the Democratic candidates for the bemocratic candidate for Sher proud positions in the Republican iff by smuggling his name on to the Republican licket. They will also offer to trade votes with Republicans, throwing over some of heir other candidates for a vote for Brown. They are especially desirous of securing this office because through the Bangor make it a good one. appointment of the unlimited number of deputy sheriffs that have been promised in all sections of the county, they will he able to set up a powerful machine to operate against the Republicans in the campaign cf 1884. Let every Republican bear this in mind and vote for George W. Whitney, who will make one of the best Sheriffs we have ever had in this county. generally have a very chilling effect on In order that there may be no mistake made in the ballots we print the straight Republican ticker for Bangor: . For Governor.

JOSEPH R. BODWELL. For Representative to Congress. CHARLES A. BOUTELLE.

SAMUEL LIBBEY. HENRY LORD. F. M. SIMPSON.

'For County Attorney. FREDERICK H. APPLETON. For Sheriff. GEORĜE W. WHITNEY.

For Clerk of Courts. CHARLES F. SWEET For County Treasurer.

BENJAMIN B. THOMAS. For Register of Probate. -AMBROSE C. FLINT. For Register of Deeds.

JOHN T. BOWLER. 1 For County Commissioners. WILLIAM L. SCRIBNER. WILLIAM I. WOOD.

or Representatives to the Legislature JONATHAN G. CLARK. LEWIS A. BARKER. WILLPAM ENGEL.

The Democrats will to-day offer to trade votes for the head of the ticket for votes for their candidate for Sheriff. Vote tie straight Republican ticket.

A vote for the Democratic candidates for the Legislature is a vote in favor of a free trade United States Senator. Bangor should have a solid Republican delegation

Vermont Republicans have spoken. Let Maine send back who stand upon a protective dattorm. A vote for the Democratic candidates is an a glorious reply to-day.

The Democrats are going to make a desperate attempt to capture the next Legisture. Bangor should contribute toward their desappointment by rolling up a good majority for the Republican legislative ticket in this city.

Bangor is the second city of sure, prove beneficial.—Hon. J. R. Bid-moortance in the State. Let importance in the State. Let our citizens see to it that she has a solid Republican delega- unfavorable to-day it should States, which are awaiting the tion in the next Legislature. stimulate the Republicans to verdict, that Maine has once A full vote to-day will give us still greater activity. Remem, more handsome y cemonstrated the cesired result. The Commercial of Saturday indulges in Comperatio standard bearer, extolling him to the skies. Three weeks before he was nomicated the Commercial could not have told who Col. Edwards was if its life had depended upon it.

The Commercial says that protection is a hun-bug. Grand Master Powderly says he is a protectionist from the soles of his fact to the crown of his head, therefore he must be a humbug in the opinion of our free :rade contemporary. What do the work agmen think about it?

Give this day to the Sate dates for the Legislature were elected ty majorities ranging from 433 to 509 vo.es. An equally decisive result can be secured to-day if every man does his whole cuty. Rally for a grand victory.

Workingmen should remember that the Morrison bill will come before the next Congress. If they favor this measure to strike down our industries and reduce wages to the foreign standard, they will yote for John F. Lynch, If they believe in protection to home labor and home indus-ries, they will vote for Charles A. Bou-in Maine should therefore vote for the Retelle, who can at all times be relied upon to vote and work against the ruinous free trade jolicy.

Mary Democrats will vote for Joseph Mary Democrats will vote for Joseph
. Bodwell to-day because they know him be best man for the place. Let Bangor be him an old-time majorky.

Work yesterday. The Republicans, however, can checkmate them by turning out with full ranks to-day. e him an old-time majority.

SOUNDWORDS FOR WORKINGMEN.

[Extract from a Speech of Grand Gent emen, I am a protectionist from the sole of my foot to the top of my head. Recampaign intensified by the fact that newec applause.] I not only believe in 10 per cent but I a tarif on every hing, raw maernatorial election, that of 1882, Gov. is that covered up in mother Roble had a majority over all of (,184 and a plurality of 8,560 while in the touched with a nick until it is dential contest occurred. In the last gub. ing.] since and including 1876, the average Re. made into that [holding up his publican majority over all has been 5,134. pocket knife i needs protection because it is all abor.

Our friends, the enemy have given the impression that that they have little or no interest in to-day's election. The Repu licans should pay no attention to this seeming apathy, however, as the Demoi c. ats usually find their way to the polls, and probably to-day will prove no excepthon to the rule. Every Republican should start a to-day with the determination of getting out the full vote. It it should not e absolutely needed it certainly can do no harm, wh le on the other hand any lack of interest on the part of the Republicans y result in giving the Democracy one more of their representatives. Close up he lines and leave no weak places for the nemy to assault. Go to the poles with the avowed purpose of cleeting the whole ticket, and to-night the Republicans of Rangor will have reason to be proud of the cay's work.

A full vote will ensure a grand Republican victory.

Look out for split tickets to-day

day. Let the Republicans of Every voter knows that the Republica party has steadily favored prohibition and Every Republican vote cast before noon that the Democratic party has steadily opposed it—and yet a convention called in the name of prohibition deliberately adopts a course which, if it have any effect at all, would turn the State over to the control of the Democratic party and to the enemies of prohibition. -Hon. J. R. Bodbetter Saturday than it will Tuesday. It usually takes all its enjoyment prior to an election in this State. The returns

The Democrats pretend to be the friend of the laboring men, jut the Hon. Win. H. Clifford, the idol-son of Maine Democracy, declares they belong to "the lower es," thus placing them on the same tion of the State Convention which de_ ooting with the thugs and dead beats who never did an honest day's work in their lives. The laboring man who desion from a disabled soldier on the ground sires to promote his own in erests will vote have been directly incurred in the line of the Republican ticket to-day. duty." The only two questions to be asked, as the Republican Convention well expressed it, are these of "Was he a loyal

Look out for all kinds of Democratic tricks. Remember tiat bogus Republican tickets have been issued from Democratic newspaper offices to deceive the people. Scru-. tinize vour ballot carefuly and dent sincere and proper motives for his ac see that it contains the name of every Republican candidate.

President Cleveland and Mr. Morrison effectualty killed the "old soldier" camcrats, the one through his pension vetoes and the other through his unjust attempt te discriminate against per sion legislation. Presider t Cleveland promptly attached his iff is a vote to out twenty-five \$2,000 a year to the widow of General Hunsignature to the bill granting a pension of cock and he did right. But when he re- for sale at lowest current or thirty Democrats in office in fased to sign the bill granting the paltry rates by this county to fight the Re- sum of \$600 a year to the widow of Gen. Hunter, an equally gallant and deserving publican ticket, two years officer, he was guilty of a contemptible exhibition of partisausing that the old soldiers of Maine will not soon forget. Nelther have they forgotten that the paper of the Democratic party in this State, has thrown into the street for its disloyalty openly declared that the Maine Democracy thrown into the street for its disloyatry openly declared that the Maine Democracy during the war, and this late day friend-disbelieves in the humbug protection." ship for the veterans only excites t

1: - 1 disgust. Candi ate Brown is just now all things to all men. When talking with the saloo Leepers he manifests little fondness for the hibitionists, while in the country he is an anti-saloon man from way back. This ionble role is a dangerous one and is dis-usting many people. Brown should be andsomely defeated to day and we beeve that it is the intention of the voters of Penchscot county to do that very thing.

To-day every earnest and. thinking Republican should ing the weekly payments would, I am contribute his influence toward a sweeping victory. A strong pull altogether and to-night the Should the weather prove word will go forth to our sister

cause.

Read the words of Candidate Edwards High duties on imported goods are indisjorify for our Legislative ticket. indorsing the Garcelon conspiracy to steal pensable to maintain liberal mages in this indorsing the Garceion conspiracy to stenl
the State Government:

"If the party had been of my of labor who fretends otherwise occupies a mind they would have pulled the state House down over their heads be. It is well known that he claims to be. It is well known that wages in this fit had killed everyone of them."

Outlet States are from 38 to 100 percent. A man entertaining such monstrous higher than in England—varying in different sentiments as these is unworthy of the indust is according to the skill required high office for which he is a candidate. The average is shown to be 70, per cent, high-Vote for Joseph R. Bocwell the life long or than in England. This is true to different of the laboring man. and reduction of mages here, as well as Republicans should get out to the polls abroad. To further reduce dities, as proposed by this bill, would add another corp early. By so doing they will aid the rallyto the army of unemployed, and further committees in their work and ensure a

duce wages. The above are the words of John Jarret a prominent representative of the working men, before the Ways and Means Con mittee in opposition to the Morrison free trade All. A vote for the Democratic ticket to-day is a vote for this bil which Kr. Jarre it declares means a further reduction of wages. Let the workingmen remem ber the important act.

Every candidate on the Democratic ticket indorses the Norrison free trace policy. That should be a sufficient reason to ensure their overwhe ming ce

The weakening of the tree by the borer impurity of the air with which the milks is why the fruit drops off in some cases and cream come in contact, also affect the and is small and scrubby in others. The larve of the borer live several years in the

The present is a good time for looking the last portion of milk drawn from the after the apple trees that were grafter last cow, and whether from cream that has spring. The scions which have grown risen in the first six, eight or ten hours, fast and ar ; tender should be checked by or from that of a longer period. cutting off their ends, so that the wood may ripen and not be winter killed. Cut touching butter with the hand while preaway the native limbs slowly, so as not to paring it for use, as the heat of the hand cause too great a shock to the tree. It is figures the butter, etc. Now I do not prenot generally safe to cut limbs closely at tend to be sage enough to enter into the first, but to cut them off one foot or more philosophy of this controverted point: but from the body at first. Then let them I will state what I know, viz. . I know that sprout and grow the next season. It they surrout and grow very fast then let them county in Scotland nuch famed for the grow the following year until the leaves good quality of its butte: and cheese) to fall, break the sprouts from the stub and clap the butter with the hand in order to hmbs; let them grow another year, then cut them off smooth. Under this method thoroughly through it with the hand; to of trimming the scions will make hardier take it out of the churn with the hand, and and better bearing trees.

The control of the co

The prosperous farmer always has good hand. The prosperous farmer always has good tools and takes good care of them. He but when he have and always butter, beside the hand, such as wooden gets the best when he buys, and always gets his repairing done in time—before the implement is needed.

The success of English farmers in growmig turnip; by the free use of super-phosespecially if the butter is to be kept for hate is the more remarkable from the winter use, because the use of the hand is fact that lurnips do not contain a large the most certain way of getting out all o percentage of this plant food. But what the most certain way of getting out all of the percentage of this plant food. But what the buttermilk: Many, fee ple who disaption is that the turnip root does not travely are in favor of washing butter with the hinds are in favor of washing it with water, but far in search of its food, and phosphate in my opinion it will be more injured by being usurely locked up in the soil, the particles is contact with the roots do not contain enough for even the small proporion that this crop demands.

Fresh hard-wood ashes are worth for the est-keeping butter the cream must undergo orchard fully as much as six times their a lipening process by exposure to the weight in resh horse manure, and other oxygen of the air while it is rising. The ashes have a corresponding value. The ripening is very tardy when the tempera addition of salt to ashes is said to still furture is low.

ther mercuse their fertilizing properties.

2. After ream becomes, sour, the more

A Connecticut farmer bought a carload of wood ashes in Michigan and had it transported seven hundred miles o his farm in Connecticut.

churning is just before reidity becomes Remember that a little farm well tilled apparent. is better han a large farm poorly manworked with insufficient capital and labor

The great secret in making underdrainwill keep sweet longer. ng a permanent improvement is in securng uniform fall when laying the tile, and the cream gets while ising. maintaining a good outlet. When the outet has been closed a year or two, if there ge a good fall, reopening it will cause it o wash out obstructing sediment.

shallower it should be. DIRECT ONS FOR FREEZING CREAT The rise, the purity of the cream, and conse rushed, to use the right proportion of coarse sale, and to beat the mixture thor- butter, will be injured if the surface of the Chicago, III oughly during the freezing. The finer the cream is exposed freely to a a much warm here is cru-bed, the quicker it melts; and er than the cream. melted ice and salt is many degrees colder than the use alone. The more the mixture rounding air, it takes up moisture and imis stirred the sooner all parts become chilfed The melted ice and salt should surround the can, and not be drawn off ure and whatever escapes from the cream until it floats the ice. Use one part of In the former case the cream purifies the FILES! - , - FILES! salt to three or four parts ice. packing surrounding air; in the latter case the air each layer in closely with a wooden pad- helps to parify the cream The selection, dle. Be sure that the freezer works per- of a creamer should hinge on what is mos feetly before adding the cream. When desired-highest quality or greatest con the cream is thoroughly cold, pour it into venience and economy in time, space and the can. Furn slowly at first, and after labor. - Prof. Arxold. ten minutes more rapidly, till you can turn no longer. It usually takes about Advantages of Premeditation and Keeping Before. half an hour. Remove the beater, scrape off the cream, and beat and pack the cream closely in the can. Put a cork into the 18 generally supposed. It is not exagger opening in the cover, and lay the cross ating to say that millions of dollars are piece over to keep the can down in the ice. lost to the country annually, through the Cover with a piece of old carpeting, wet neglect of timely preparation for crops, in the salt and water. If the ice and salt have been well packed, and the cream is vice prograstination. A farmer often to be served within an hour, no more ice grows one third ess through not getting will be needed; but if to be kept longer, his land ready for planting in good seadraw off the water and pack again son, and his live stock will be of a thing.

DRAINAGE ABOUT THE HOLSE. Dr. less value in the spring, because he drove Bowditch says: "A residence on or near a off putting it into comfortable quarters at damp soil whether that dampness be m the commencement of winter, and lost his The Lowest Prices. herent in the soil itself, or caused by per- crop of roots from being behindhand with colations from adjacent ponds, rivers, his cultivation. Processination is the marshes or springy soils, is one of the thief of time." But this is often caused primal causes of consumption in Massachusetts." Dr. Buchanan, an English physician, says: "Dampness of soil and consumption stand in relation to each othconsumption stand in relation to each other a scause and effect." Dr. Winson says: I working half their time, because help is otherwise engaged? Het there may be amount of preventable disease is caused by damp cellars!" Drain your land about the house and whitewash your cellars.

Then good stout oxen/will/lie about their time. On that redkoning half the ASPARAGUS. The Germantown Tele-

ASPARAGUS. The Germantown Telegraph is the author of the following: "It
